

## Rare Footage! Caught on video! Not available in stores!

No, it's not Paris Hilton. It's not Governor Blagojevich, or Britney.

It's...the Fort Hunt High School marching band! It's the Flag Corps, the majorettes, the cheerleaders and the drill team, from Homecoming 1974.

Bill Diehm, FHHS '76, saw the request below for Bobby Suggs' memorabilia collection, and generously offered his band letter. In the process, he came up with a Super 8 movie clip, which he digitized and posted to YouTube. Despite the lack of sound, it is great fun to enjoy a colorful, all-American, flashback.

Thank you, Bill, what an enjoyable trip back in time. {youtube}TAqC0SqwKBs{/youtube}
